Volume 4, Issue 4 Attachment

These photos were omitted from the Union Station Weekly October 23, 2020 edition. They were submitted by our Program Director, Scott B. and they are of Dunlap Creek Park, one of Fayette County's Parks. Located along Route 40 in Menallen Township, Dunlap Creek Park consists of 74 acres of woods, meadows, and a 50-acre lake that is used for boating and fishing. The park, along with the county's other two parks, Jacob's Creek in Bullsinn Township and German-Masontown in Masontown are now going under a study by the county for improvements, and improvements are coming slowly and surely.
